

MacIntyre
Providing support...your way

Hello This is Vince About this document

We have made this document about a pretend man named Vince to help explain dementia

It explains dementia using a person called Vince to help you understand

It will support people to understand Vince and how to help him

It shows what helps Vince and how he may be feeling

MacIntyre
Providing support...your way

Hello this is Vince

Vince has lots of friends

Vince works at the supermarket

Vince plays football

Vince has Dementia

What is dementia

Dementia is when the brain does not work properly

Dementia can make Vince forget things

Vince sometimes can not find his shoes

Who could help Vince when he forgets things

- a doctor
- his friends
- his family
- his staff

Vince has a doctor who helps him with his dementia

Talking to people can help Vince feel better

Vince takes tablets for his dementia

Being healthy can help Vince feel good

Exercise makes Vince feel good

Sometimes Vince feels sad with dementia

Sometimes Vince feels happy with dementia

Vince will always have dementia

If you are worried do not be afraid to talk to someone who can help
