

Activity Sheet 13

Cress Egg Heads

This activity will be at
3.30pm until 4pm

You will have to make your cress heads 10 days before and be ready to show them

You will need

- Eggs

- Cotton Wool

- Cress Seeds

- Felt tip pens

- Egg cups or if you do not have any then keep the egg box so they can stand up

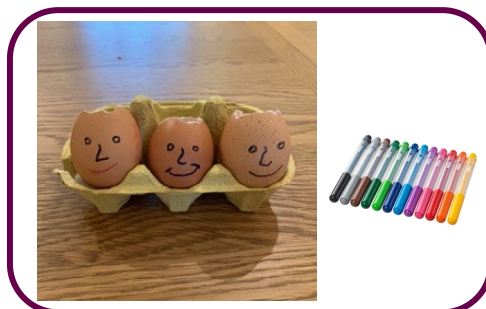

Poke a hole in the top of you egg and drain out all the egg

Don't waste it you could make scramble eggs

Give the egg shells a clean

But be careful as they break easily

Use the felt tip pens to decorate the eggs however you want

Put cotton wool into your eggs so there is only a small gap at the top

Sprinkle some seeds on top of the cotton wool

Try to spread them out a little bit

Sprinkle with a little bit of water

And now you wait

It should only take a few days until they start to grow

Sprinkle with water every 2 days

After 10 days they should be fully grown

If you come to the session and show your cress egg then you could win a prize

The person with the best cress egg will win a grass head

Good luck
