What we did in 2017 and 2018

We practiced making a presentation

We all learned our parts so we knew what to say at workshops

We did a training day to make sure our workshops are safe

We read 4 books using Bag Books and Books Beyond Words books

Every week we were reminded that team work is important for our group

What we did in 2017 and 2018

I4t Staff helped us to work with people from See Ability

We told them that our displays at events work well

Staff helped us to work with people from Books Beyond Words

They asked us to check out a book which has not yet been printed

The book is all about looking after your eyes and having an eye test

We gave them a long list of things we liked and did not like
We did daily jobs like
Keeping the drinks cupboard topped up

Washing the cups
Drying them
Putting them away
Cleaning up the kitchen

We took photos every week

We used the i pads often in our work

We checked the floor for pins and bits at the end of the day

What we did in 2017 and 2018

We invited people to come to a Dementia Friends workshop

This was run by Nicki and Rachel from the MacIntyre Dementia project

We all became Dementia Friends

Wes joined the staff team to help out sometimes at i4t

We set up a rota to do all the daily jobs

This makes sure we all help and work as a team
