### Meet the Manager

"Hi, my name is Trudi and I have been at Montfort Fields for over 23 years, working alongside my colleagues to support the 5 people who live here. I am very proud to be a part of the team, working to support such a great group of people."

The people living at Montfort Fields have lived together for a number of years and are supported by a long-standing team, making us a close-knit group, having had time and opportunity to build close and understanding relationships. People love going out to places or activities they enjoy, such as swimming or carriage driving or to Art and craft sessions or to visit family."
