## MacIntyre at a glance

### Meet the Manager

"Hi my name is Nicole, and welcome to Saxon Close. I have been working for MacIntyre for over 10 years now, starting my journey from Westoning to becoming the Manager at Saxon Close in 2018.

I've come to know each person living at Saxon Close, learning what they love doing, from Karaoke (I'm also known to break out into song every now and then), baking cakes, going on holidays to the seaside and exploring nature or simply relaxing in the garden.

As a team, we get to be part in empowering people to live a life that makes sense to them, ensuring that their voices are heard and they can achieve the things they want.

Just seeing a smile from one person when you come on shift just shows how each person enjoys living at Saxon Close."
