

MacIntyre

Providing support...your way

To making sponsorship giving easier, MacIntyre has signed up with Virgin Money Giving, a not-for-profit organisation which collects funds and Gift Aid on your behalf and pays the money straight to MacIntyre.

We can set up a sponsorship page on your behalf or you can do it yourself by following these steps:

- Go to the Virgin Money Giving website: <http://uk.virginmoneygiving.com/giving/>
- Click on Sign In (top right hand corner of screen)
- You will need to either sign in using any existing details, or register as a new user
- Click on 'Start Fundraising'
- Select an option, eg Organised Event (eg London Marathon, MK Marathon), or Personal Challenge
- My Personal Challenge:
 - "How long after the event would you like to carry on collecting sponsorship money?" we suggest you select One Month
 - "Are you fundraising on your own or with other people" we suggest you select Just Me
- My Charity
 - "Charity Name": type MacIntyre then click search to set MacIntyre up as your nominated charity
 - "Has your charity contributed to the cost of your event" – select No
- My Fundraising Page – click on Create My Page
 - Change page title
 - Upload your photo
 - About You – this can be customised to say something about why you are doing this event
 - Save
 - Under Preview Page, select Save then go to Next
- My Page
 - "Would you like to include your own personal thank you message on this email": we recommend you do this so any sponsors receive an immediate acknowledgement of their donation. You will also receive an email each time someone makes a donation via your page

Now select Create My Page and your fundraising page is complete!

Help

If you need any help in setting this up, please contact Jenny Edwards at MacIntyre on 07920135929 or 01908 357012, email fund@macintyrecharity.org or take a look at the Virgin Money Giving Help Guides on the home page of their website.

How it works
